We're Main Street – Not Wall Street®

FROM application to closing...

Buying a home for the first time can be a stressful experience. You don't need to go it alone.

Domestic Bank doesn't just provide loans, we help our customers through every phase of the home-buying process.

Many banks and mortgage brokers will only tell you what mortgage amount you qualify for. We go the extra mile to help you understand what you can realistically afford.

If you're thinking about buying a home in the future but not quite yet, we can help you prepare with our homebuyers financial readiness program.

EVERY step of the way...

- **Getting pre-qualified**
- **Saving for a down-payment**
- **Understanding your credit report**
- **Knowing what you can afford**
- **Finding a realtor**
- **Purchase & sales agreement**
- **Inspections**
- **Closing on your new home**

WE'RE here for YOU.

A Domestic Bank Home Loan Specialist is available to meet when it is convenient for you...

Our branches are open 7-days-a-week with extended hours so you can bank on YOUR schedule.

If you're ready to get pre-qualified for a mortgage, here's a list of what you'll need to bring to your appointment:

- **Proof of current employment (last 2 pay-stubs)**
- **Proof of continuous employment (last 2 years of income tax returns and W-2s)**
- **Proof of liquid savings (last 2 bank statements)**

Your Home Loan Specialist will obtain a copy of your current credit report and financial information. You will then be issued a pre-qualification letter, allowing you to make an offer on a home.

Domestic Bank has a full-range of mortgage programs available to make buying your first home affordable.

- **Low down-payment options**
- **Flexible rates and terms**
- **Closing-cost assistance**

Becoming a homeowner will be one of your most rewarding accomplishments. Let Domestic Bank help to make the process as smooth as possible.
